

Bill Gates Slams Trump Executive Order to Defund International Planned Parenthood

Steven Ertelt Feb 15, 2017 | 1:51PM Washington, DC

“The majority of Americans were excited what [President Donald Trump signed an executive order to defund the International Planned Parenthood abortion business](#). But long time abortion activist Bill Gates of Microsoft fame was not among them. Ironically, Gates says the executive order endangers the lives of millions of women and children. Never mind that millions of unborn baby boys and girls are killed in abortions worldwide and millions more women are injured and even killed by legal abortion procedures.” Read more at <http://www.lifenews.com/2017/02/15/bill-gates-slams-trump-executive-order-to-defund-international-planned-parenthood/>
