

Witnessing at a Balanced Church

OK, we've seen every church needs to be balanced in its learning, worshipping, and fellowshiping experiences, but today we'll look at what is often the toughest balance to maintain--witnessing to others.

- ❖ Vital witnessing experiences must occur on a universal level.
Our mission: Get the gospel out to the whole, wide world.
We've all got to go / pray / give!
Mtt. 24:14, 28:19, Acts 1:8b, 13:1-5

- ❖ Vital witnessing experiences must occur on a local level.
Our mission: Get the gospel out to our community around us.
We've all got to jump in somewhere!
Acts 1:8, 2:46-47, I Thess. 1:6-10, Jn. 4:35-38

- ❖ Vital witnessing experiences must occur on an individual level.
My mission: Get the gospel out to those people around me.
I've got to shine and speak up!
Mtt. 5:11-16, Col. 4:5,6, I Pt. 3:15,

If I feel inadequate about sharing my faith, I should . . .
