

October Surprise: Documented Sex Abuse By Clinton's Abortion Partners

October 19, 2016

"If you knew what I know about the Abortion Cartel, you wouldn't sleep at night." -Troy Newman

An Operation Rescue Special Report

By Cheryl Sullenger

Washington, DC — He was an outspoken supporter of abortion who bragged about packing a gun and his his new, state-of-the-art abortion facility in Phoenix, Arizona. The news media loved interviewing him and he became an in-demand spokesperson for abortion on demand. But Brian Finkle had a secret. He was a sexual predator. . . Read more about the many sexual abuse cases that have occurred at abortion clinics and the reticence of the authorities to prosecute them at <http://www.operationrescue.org/>
