SCHLAFLY: RAPE JIHAD SHOWS 'GERMANY IS NO LONGER GERMAN'

“This massive immigration is simply changing the face of the world.” Globalists who demand that the West accept a wave of Muslim refugees have obliterated the face of Germany and are threatening to do the same to America, warns conservative icon Phyllis Schlafly. “Germany isn’t German anymore.”

Schlafly cited recent news of Islamic migrants rape jihad on women in Europe, where government officials are reported collaborating. As WND reported, public outrage is surging over reports of the mass sexual assault of German women in Cologne by Arabs and North Africans during New Year’s celebrations. And reports are coming in of attacks in other German cities, such as Hamburg and Stuttgart
